OFFICE CREATIONS is a leader in office furniture installation, relocation, and reconfiguration. In business since 2003, our experienced staff with over thirty years of combined experience will help you create or change your office environment easily and efficiently. In addition to our expertise in the installation of modular furniture, we also offer moving services and inventory management. Our staff is highly trained and familiar with all manufactured office furniture systems, including such brand names as Haworth, Steelcase, and Herman Miller.

Businesses always look for the best quality at the lowest price. Unfortunately, some furniture companies quote extremely low prices and make a lot of empty promises. We are not that kind of company. We will provide you with excellent service at a reasonable price, and a staff that will work as quickly as possible to ensure that your business is not disrupted. To make this possible, OFFICE CREATIONS will come to your office at your convenience. Although the office is open from 8am to 5pm Monday through Friday, you can reach us by cell phone 24/7.

No job is too big or too small! At OFFICE CREATIONS everything is handled in house, so one phone call will take care of your entire project.

With years of experience, fair pricing, round the clock service, and the convenience of a full service shop, there is no reason not to call OFFICE CREATIONS!
